102. 3 Shortbread Biscuits
103. 3 Bacon & Cheese Turnovers (bought puff pastry)
104. 8” Pizza – own choice of topping (base to given recipe)

**Recipe for Pizza**

**Dough base**

2 cups of strong white plain flour      1 tbsp olive oil  
1 tsp salt      ½ tsp fast action yeast  
150 ml lukewarm water

**For the topping**

Packet of mozzarella  
Tin of tomatoes

Own choice ingredient(s) - add whatever you like!

**Method**

Measure the flour, salt and yeast into a large bowl. (Add the yeast and salt into different corners)  
Make a well in the flour and pour the water and olive oil into the middle. (do this in a bowl)  
Mix the ingredients, bring flour in bit by bit, coming together to form a slightly wet and sticky dough.  
Knead the dough on a lightly floured work surface. Once the dough ball looks smooth, pop it in a bowl, cover with cling film and leave it in a warm place until its roughly doubled in size.  
When it's ready turn the dough out on to a lightly floured surface, knead it slightly and roll it out.  
Place it on a baking sheet.

**Make the topping**

Drain the tin of tomatoes then spread it on the pizza base.  
Chop up or grate some mozzarella then sprinkle that on top.  
Add your additional choice of topping to complete the Pizza  
Preheat the oven to 200C - Bake in the oven for 25-30 minutes.  
Keep an eye on it. You may need to turn it if one side is browning faster than the other.
